NUMBER OF EMPLOYEES

STATEMENT BY FIRM Amidon Appraisal Company in Portland, Maine, was founded in 1990 by Patricia M. Amidon, MAI. The company provides appraisal services on a wide variety of real property types, including residential, commercial, industrial, agricultural, and special purpose properties. Rights appraised include fee simple and leased fee interest, and partial interests such as easements and life estates. The company has the capacity to value limited access rights of way, railroad rights of way, telecommunication towers, utility corridors, air rights, easements within easements, and all types of eminent domain assignments throughout the state of Maine. The office of the firm is located at 477 Congress Street, Suite 323, Portland, Maine (Time and Temperature Building). The company is comprised of four appraisers, led by the principal appraiser, Patricia M. Amidon, MAI. Staff appraisers include, Brendan Hall, Robert Ball, and Jack Hall. All efforts have been made to acquire and maintain the best and most modern equipment and research tools to efficiently produce large scale appraisal assignments in a timely manner.
